PUBLICATIONS:

Results of Saphenous Vein Graft Stent Implantation (11/1999)
Journal of Vascular Diseases

Karen Scavetta, M.D., Randall Caldron, M.D., Paulo Ribeiro
Long term clinical results after Stent implantation in Old (02/2002)
Obstructed Saphenous Vein Grafts

Comparison of Results of Stent Implication in Focal vs. Diffuse Sphenous Vein Graft Lesions
Randall Caldron, M.D.

Comparison of Results of Stent Implication in Long vs. Short Saphenous Vein Graft Lesions
Randall Caldron, M.D.

“Hypertrophy Fontan”. (Authorship). Submitted to the American Heart Association as an abstract
Randall Caldron, M.D., Jeffery Pearl, M.D., Hilel Laks, M.D.

RESEARCH EXPERIENCE:

Investigation of diffuse vs. focal lesions of saphenous vein grafts and clinical outcome in some 90 stented patients (1997 - 1998)
- Paulo A. Ribeiro, M.D., Ph.D., Director of Research, Department of Cardiology, Loma Linda University

Investigation of the morphology of vein graft and clinical complications in 90 stented patients (1996 – 1997)
- Paulo A. Ribeiro, M.D., Ph.D., Director of Research, Department of Cardiology, Loma Linda University

Retrospective study of the etiology of blindness in the minority population (1994 – 1995)
- Richard Baker, M.D., Director of Research, Department of Ophthalmology, UCLA

Investigation of the effect of uuinolones on ctytokines and Lymphocyte counts in HIV patients (1993 – 1994)
- H. Thadepaulli, M.D., Department of Infectious Diseases, UCLA

Retrospective study of single ventricle heart with ventricular Hypertrophy undergoing a Fontan surgical procedure. Examined Morbidity and mortality in early and late postoperative outcome (1991 – 1992)
- Davis Drinkwater, M.D., Department of Cardio-thoracic Surgery, UCLA

Measured the membrane potential in a dystrophic muscle cell (Mdx) by using the micro-electrode method (1991)
- Julio Vegara, M.D., PhD, Department of Physiology, UCLA

PROFESSIONAL EXPERIENCE:

Long Beach Prime Medical Group- Long Beach (2004- Present)
Internal medicine
Duties Include: All aspect of internal medicine, extensive experience in treating orthopedic conditions

Glendale Fidelity Medical Group- Glendale (2004- Present)
Internal medicine
Duties Include: All aspect of internal medicine, extensive experience in treating orthopedic conditions

West Hills Medical Center – Woodland Hills, CA
Internal Medicine Physician (01/04 - 2011)
Duties Include: all aspects of Internal Medicine

Internal Medical Clinics – Greater Los Angeles Area
Medical Director (2002 - 2011)
Duties: Supervise Medical Staff, Oversee outpatient and inpatient health care at West hills and Northridge Hospitals
